Inner Beauty

DESCRIPTION

Inner Beauty is formulated to deliver the maximum shine and protection available for the cleaning and protection of automotive plastic, vinyl and leather interiors. Inner Beauty works quickly to penetrate surfaces inside the automotive such as dashboards, casings, consoles, and other compartments. This products leaves behind a tremendous non-fading luster. Inner Beauty offers superior protection against extreme heat and fading from the sun or cracking from cold temperatures. Simply spray tire and wipe over the area for instant protection.

INSTRUCTIONS

Ready to Use. Apply to area to be treated with a trigger sprayer, wipe over entire area ensuring complete coverage. Allow to dwell upon surface.

FEATURES

- Protects against fading from the sun
- Easy, Ready to Use
- Returns color and luster back to dry and dull interiors
- Contains no harmful abrasives, corrosives or other damaging chemicals
