Winco 4 Wheel Dolly Kit for (WL12000HE/WL18000VE/HPS12000HE) 16199-032

The Winco 4-wheel dolly kit gives your generator excellent mobility on the ground without any lifting. The 10" flat free tires get you through mud, snow, sand and soggy lawns. Both solid steel axles run the entire width of the generator providing superior strength. Also features a brake to keep your generator in place. All components are protected from corrosion with our durable baked on powder coat paint system. This dolly kit is available for generators from 6kW-9.5kW. This model fits the WL12000HE and WL18000VE. The HPS12000HE comes with a 4-wheel dolly kit standard.
