Model Number: 96387

Powerhorse 96387 Inverter Generator 4500 Surge Watts 3500 Rated Watts Electric Start EPA and CARB Compliant

Manufacturer: Powerhorse

Powerhorse Inverter Generator 96387 — 4500 Surge Watts, 3500 Rated Watts, Electric Start, EPA and CARB Compliant, Model# LC4500i
Ships small package ground.
Product Summary
This Powerhorse Inverter Generator provides super-quiet operation (at just 57dB @ 1/4 load!). Reliable, clean power with low total harmonic distortion to safely run tools, appliances and sensitive electronics with no interruptions or disturbances. Great for home, camping, tailgating and outdoor recreation and entertaining. The parallel-ready design allows connecting two Powerhorse units (4500 Watts) for up to twice the power (parallel cable kit, Item# 102226, sold separately).
What's Included
(1) Inverter generator

Product Manual
Features + Benefits

• 212cc engine with electric start (battery included)

• Produces less than 2% total harmonic distortion for safely operating sensitive electronics

• 100% copper-wound heads prevent overheating for a longer life

• Engine Smart Control (ESC) variable throttle delivers fuel savings and quiet, dependable operation

• Overload protection protects equipment
