No

Net Weight of unit is 104 lbs dry.

The best thing about the Clean Storm Carpet Extractor that makes it unique from other
carpet extractors is the fact that it is a much lighter machine. You will find this 6 gallon machine easy to move with its size and weight. You'll also find it packs a punch when it comes to cleaning power. This carpet machine comes with a 6 gallon fresh water tank and a 6 gallon waste tank. It has dual 3 stage vacuums and a Pumptec 300 PSI pump.This machine has a 2000 Watt Heater.
This machine will operate on dual 20 amp breakers with the heaters on and 15 amp with no heat.
Compact, transport in any truck, car, or on the seat.

In the world of Carpet Cleaning and Auto Detail Extractors you will find you will have to determine how much power is required to use your machine. Some machines need:

- Single 15 amp breakers
- Dual 15 amp breaker
- Single 20 amp breaker
- Dual 20 amp breaker

This machine is the strongest you can have in a 6 gallon body.

This machine will clean 50 ft away from the machine with the standard 1-1/2" ID vacuum hose but can be custom changed to a 2" vacuum port using 2" vacuum hose and clean 150 ft away!
This machine produces 200" of water lift and 125 CFM (25,000 Vacuum Units)

Steambrite Supply

This means that not only can you use this machine as a compact auto detail machine, but it also packs enough power to clean homes, carpets, mattresses, drapes, and more...
No need to make the selection of carpet cleaning wands from the smaller 8" or 10" wide tools. This machine can operate professional 12" wide cleaning wands!

With 300 psi this gives you the ability to use internal spray and bi-directional upholstery and auto detail cleaning! Being able to clean both forward and back is actually more than twice as fast!
Zero over-spray, cleans both directions, drys faster, and better deep stain removal with the "park and steam" technique. Click Here for a search for "Internal Spray."
