Clean Storm 20260619, 200 ft Truckmount Hose Set with 25 ft 1.5 in Vacuum Hose Leader

Model Number: 20260619

Clean Storm 20260619, 200 ft Truckmount Hose Set with 25 ft 1.5 in Vacuum Hose Leader

Manufacturer: Clean Storm

Clean Storm 20260619 200 ft Truckmount Hose Set with 25 ft 1.5 in Vacuum Hose Leader
Professional hose bundle for truckmount carpet cleaning systems. This Clean Storm hose package gives you a long 200 ft working reach with a smaller 25 ft leader hose for easier handling at the wand end. Ideal for carpet cleaners who want one ready-to-use vacuum and solution hose setup for residential and commercial jobs.
What is Included

- 200 ft x 2 in ID truckmount vacuum hose setup
- 1/4 in high-pressure solution hose, rated up to 3000 PSI
- Quick disconnect fittings
- Ball valve
- Four 2 in barbed vacuum hose connector/joiner fittings
- 25 ft x 1.5 in ID vacuum hose leader with expanded 2 in cuff and standard 1.5 in cuff

Why Use a 1.5 in Leader Hose?
The 25 ft x 1.5 in vacuum hose leader is lighter and easier to maneuver at the cleaning tool compared with dragging full-size 2 in hose all the way to the wand. This can reduce operator fatigue while still allowing the main run to remain 2 in hose for strong airflow.
Common Uses

- Truckmount carpet cleaning
- Upholstery and stair cleaning setups
- Residential cleaning jobs where lighter hose handling is preferred
- Commercial cleaning where longer hose reach is needed

Important Notes

- Bundle components may ship separately.
- Photos are for reference only. Final fittings, cuffs, and hose colors may vary by supplier availability.
- Always verify machine pressure, hose rating, and fitting compatibility before use.
