

POWERFUL HEPA-AIRE® HIP-PAC HEPA VACUUM.

V1300 is an efficient alternative to tank-type HEPA vacuums.

This ergonomically designed, lightweight unit maximizes operator comfort with no dragging, pushing or working around obstacles. The velcro strap on the belt allows adjustment to virtually any size operator. And, the vacuum can be positioned for either right or left handed operation which enables the user to move freely and easily without back strain.

No other back pack vacuum provides a better combination of power and portability. The V1300 is manufactured from a high-impact ABS plastic, and is designed to provide years of reliable operation.

The V1300 comes as a complete package: heavy duty velcro strap; a complete tool kit; tool holder and 50 foot grounded power cord. The tool kit includes: a gator tool, carpet tool 10.5" crevice tool, and a unique dusting tool with rubber furniture guard.

1000 Watt Blower Generate 95" Water Lift & 100cfm Airflow • Weighs Just 6.4 lbs
99.99% True HEPA Filter for Particles 0.3 Microns & Larger • Convenient, Productive & Reliable
