Package Summary:
This package was put together because you can prespray faster, agitate and rinse faster than using other machines and power wands.

Steambrite Supply

Goliath Complete Heat Cleaning Unit - with auto fill and auto dump means no more wasted time filling and emptying your machine. With enough vacuum to run what ever tool and hose distance you need or want. 100% more vacuum and 60% hotter than traditional suction feed auto fill and dump carpet and tile cleaning machines. Quad vacuum motor and optional dry filter bag allows use with air duct cleaning tools. 30 GPM and dual discharge port mean you now have a flood pumper and pressure washer vacuum recovery unit. Note: machine is not going to follow you around the job site, wasting time relocating and resetting up, rather you just add hose to reach where you want. Machine already has 6 ft auto fill hose connected to reach any sink or shower head.

Accessories included:

• 15 ft of 1-1/2" ID vacuum and 3000 psi solution hose with shut off ball valve

• 15" Titanium Wand with Glides with five 01 jets.

• 20" Wide Pro 45 Agitation machine opens up opportunity to clean tile, carpet dry cleaning, and oriental rungs too!

• Sapphire Scientific Upholstery Pro Bi-directional cleaning hand tool

• 10" Wide Stainless steel stair wand

• Two AH46 Expanded hose cuffs (allows connection between 2" vacuum hose to 1.5" hose back out to 2" cleaning tools)

• One AH42 Standard 1-1/2" hose cuff (the above cuff will let you toggle between 1.5" OD and 2" OD cleaning tools.)

• Two AH74 2" Barbed X Barbed Hose connectors

• Selector Injector- allows you to toggle between carpet cleaner and Knock Out Urine Pre-treatment prespray without stopping to changing injection sprayer jugs.

• UV Body Fluid and Urine detection light

• Shark Stainless Urometer to confirm urine location

• Flash Extractor to perform sub surface urine and stain removal and water extraction work

• Carpet cleaning chemical kit

• Stain removal kit

Steambrite Supply

• Odor removal kit

• 3 Corner Wall Guards

• 6 hours of training in DVD's

• Lift Buddy

• Carpet Skidders 8 pack

• DriStorm 2200 CFM air mover

• Hose Mount Lint Filter System (Example AC10 Usually you will cut the first 50 ft 2" vacuum hose about 5 ft from the Goliath extractor and insert the lint filter at that point. Depending on the brand we supply we will supply you with the need hose cuffs to make it work.)

• Selector Injector prespray system pre-sprays as fast as you can walk and no longer have to stop and change jugs to change chemicals, just flip the switch!

• Two extra Injection Sprayer Jugs.

• Complete HOT water connection kit
• 42" Long Stand Up Crevice Tool
• Triple 50 ft 12-3 Power Extension Cords
• 100 ft of 2" vacuum hose and 3000 psi solution hose with shut off ball valves (dual 50 footers)

With these three hose set clean at the following distances: 15 ft, 50 ft, 65 ft, 100 ft, 115 ft
Package Advantage:
Hottest electric portable on the market
100% more vacuum to pull out the dirt and get the project dry fast
Systems cleans faster than using power wands
Don't just be a carpet cleaner, be a specialist to remove stains and odors too.
Aggressive cleaning system will restore the dirtiest carpets.

Question and Answers:
Question: If I set the pressure gauge to 500 psi and squeeze the trigger on the Mach-15 five jet 01 carpet cleaning wand, how much pressure will the unit clean at?
Answer: 250 psi. The pump is designed to maintain 500 psi if the flow rate of all the jets is 02 in size. As the jet sizes gets larger the larger the drop during the squeeze or cleaning stroke. The Goliath still drops less than other suction feed machines since this is a pressure feed system. The building pressure helps the pump performance. The idea in this cleaning method is that the carpet is already clean by the prespray and the agitation from the Pro 45 counter rotation agitation machine. The Goliath Complete Heat with the Mach-15 wand is their to rinse the soap out while
