

# Malish SpinSafe™ Carpet Brush

*The Ultimate Solution  
in Carpet Cleaning*

The new  
Malish SpinSafe™  
carpet brush utilizes a  
smooth stainless steel  
adjustable glide plate to allow  
the brush to easily glide over the  
carpet. The use of the metal plate  
protects the integrity of the carpet,  
reduces drag, and increases efficiency.

# The Malish SpinSafe™ Carpet Brush

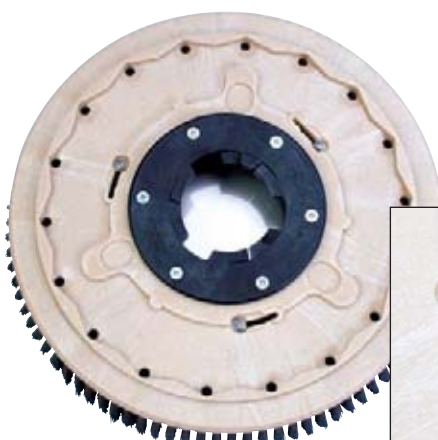

## *Less Drag. More Efficiency.*

The design of the new Malish SpinSafe™ carpet brush features a stainless steel glide plate with adjustment screws positioned on top of the block. This design minimizes drag, adds life to the motor, and protects the integrity of the carpet. Because the SpinSafe™ carpet brush operates with less drag, it allows for the use of the larger 20" floor machine, which will ultimately speed up the cleaning process.

The adjustment screws are on top of the block rather than on the bottom to eliminate the chance of metal screws snagging and pulling up carpet fibers. The multiple-stage adjustment screws allow the plate to be adjusted as the bristles wear or for various carpet naps.

The SpinSafe™ carpet brush requires minimal cleaning solution. Unlike a plastic glide plate, the stainless steel design dissipates heat build-up and prevents melting, discoloration, and overheating.

The Malish SpinSafe™ carpet brush uses .014" nylon filament and, with the weight of the machine, the nylon bristle is tough enough to penetrate carpet for excellent cleaning action, yet soft enough to prevent damage to the carpet.

### The Malish SpinSafe™ Carpet Brush

- Adjustable stainless steel glide plate
- Reduces operator fatigue
- Increases productivity
- Efficient and cost-effective
- No break-in process required
- Designed to fit 17" or 20" floor machines

*Adjustment screws raise glide plate as bristles wear.*

***Applications:***  
***commercial and in-home use***

Part No.	Block Dia.	Description	Filament Color	Filament Dia.	Machine Size
732915	15"	Carpet Brush w/ Glide Plate	Black	0.014"	17"
732918	18"	Carpet Brush w/ Glide Plate	Black	0.014"	20"
