

TreadMaster™

Automatic Escalator Cleaner

Cleans treads and moving walkways effortlessly

For over 25 years, TreadMaster has been the maintenance recommendation of escalator manufacturers worldwide. CleanMaster's self-contained, compact unit cleans and polishes unsightly stair treads... effortlessly!

Unique, hands-off system

- Uses 98% less labor than conventional methods
- Cleans and polishes in one continuous motion
- Powerful vacuum collects all residue
- Brings back the original luster
- Cleans escalators and moving walkways effortlessly without needing staff supervision

TreadMaster is efficient

The ease of set-up and take-down makes cleaning escalator treads and moving walkways a "hands-off" job. TreadMaster frees up personnel to perform other tasks while the TreadMaster is at work. The built-in vacuum system, easily replaceable heavy duty polishing pad and nylon-grit brush ensures complete and thorough cleaning.

TreadMaster is safe

One-step, automatic cleaning eliminates risky, manual cleaning procedures. TreadMaster removes unsafe substances from stair tread surfaces, reducing the risk of liability hazards for customers and employees. TreadMaster also comes with a handy clip-on "ESCALATOR CLEANING IN PROGRESS" sign to deter escalator passengers.

A simple three-step set-up process

Simply position the TreadMaster at the bottom of the escalator, lower the tread-wide cleaning head into position, and activate the escalator. Without any repositioning during any part of the cleaning process, TreadMaster cleans any tread width completely and thoroughly.

Effortless Escalator Cleaning

TreadMaster™

Automatic Escalator Cleaner

Escalator Tread Spot Cleaner

CleanMaster's Escalator Tread Spot Cleaner is an excellent product to use in conjunction with the TreadMaster. This fast acting spot cleaner is designed specially for use on aluminum escalator steps. Spot Cleaner is non-flammable and non-conductive so it can be used while motor and equipment are operating.

Part Number: 000-031-103

Features

- Durable, roto-molded construction
- Quiet riding wheels
- Replaceable polishing pads and brushes
- Crevice tool for hard to reach areas
- Three different tread widths:
24", 32" and 40" cleaning heads
will accommodate most escalator models
- Available for moving sidewalks
