## HURRICANE

### Easy undercarriage cleaning

The Hurricane makes it easier to clean underneath vehicles with a clearance of 7" (\*10") and more. The Hurricane can be used for cars, trucks, agricultural machinery and at construction and shipping companies without using a car lift.

The Hurricane is time-saving and more cost efficient than other undercarriage cleaning solutions. It is used with cold or hot pressure pumps. Possible throughput medium pH 3 -12.

- ✓ **pressure up to 4000 psi**
- ✓ **temperature up to 250°F**
- ✓ **complete stainless steel (INOX)**
- ✓ **quality swivel (DYF / maintenance free)**
- ✓ **quality rotor arm (balanced)**
- ✓ **solid construction**

Name	Part No.	ø	Weight	Rotor Arm	Nozzles	HP-Gun	Stainless Steel Wheels
<b>TUW-520</b>	<b>80.611</b>	21"	27.3 lbs	2x 1/8" NPTF	2x 1503	1x	2x ø 4" 1x ø 2 1/4"
