

**KÄRCHER**

**THE ONLY PRESSURE WASHERS  
BUILT RENTAL TOUGH**

# TRS Series

## Mobile Cleaning Systems

*Easy as 1-2-3 to create your own wash package*

**Kärcher-Shark** has made customizing a trailer-mounted wash system for on-site cleaning as easy as 1-2-3.

- Step 1: Choose from two rugged trailers—the dual-axle TRS-6000 with 330-gallon water tank or the single-axle TRS-3500 with 200-gallon tank.
- Step 2: Select from 9 models of Kärcher-Shark's skid-mounted line of hot water pressure washers.
- Step 3: Customize your trailer with a broad selection of

options and accessories, such as hose reels, chrome coverings, etc.

Both trailers are made of extra-rugged 2-by-3 inch structural tubing. The wheel and axle assembly feature leaf-spring suspension of up to 3,500 lbs. per axle and 15-inch, white-spoke wheels.

A powder-coated epoxy finish gives the package added weather protection.

Shown with optional Kärcher-Shark SSG hot water skid pressure washer

**TRS-3500 Dimensions:**  
130"L x 73"W x 58"H

Easy **switching of water source** with two 3-way ball valves that divert the flow from the holding tanks to direct water feed from a faucet.

**Industrial under carriage** features leaf-spring suspension of up to 3,300 lbs. per axle and 14-inch, white spoke wheels (shown with optional chrome wheels).

**Trailer tongue assembly** includes a swivel jack made to handle 1,500 lb. capacity and has a 2<sup>5</sup>/<sub>16</sub>-inch ball coupler for quick and easy hook up of the trailer. Two 5/16-inch chains are also included for additional safety. Other options are available for the coupler.

Designed and **pre-drilled** for mounting the portable SSG/SSD skid hot water pressure

washer and is positioned so the equipment controls are easily accessed from the side.

High-density, 200 or 330-gallon white **polyethylene water tank** comes standard with the trailer and features a 12-inch access port plus a 1<sup>1</sup>/<sub>2</sub>-inch rain valve, 3/4 -inch float valve and a 50-mesh inlet strainer.

Durable **steel cage** holds the water tank and chemical jugs in place and features a pressure washer **wand holder** for quick and ready cleaning accessibility.

**Heavy-duty chassis** is made of extra-durable 2-by-3 inch structural tubing and covered with a powder-coated epoxy black finish for all-weather protection; features lighted license plate holder and recessed tail lights; all electrical wiring is recessed within the tubular frame.

Optional, tangle-free hose reels **swivel on a single pivot for 360-degree maneuvering** of high-pressure hose and garden hose; nipples anchor the hose ends during transit; frame **holds detergent pails** in place during transit. These are just a few of the many options and accessories available for Kärcher-Shark's mobile wash systems.

# CUSTOM PACKAGE

Easy as 1-2-3

Create a package by choosing (1) trailer, (2) a pressure washer and (3) options

## STEP 1: CHOOSE YOUR TRAILER

TRS-6000:  
Dual axle

TRS-3500:  
Single axle

Choose one of these two Kärcher-Shark trailers:

FEATURE	TRS-3500	TRS-6000
LOAD CAPACITY	3,300 lbs.	6,000 lbs.
WATER TANK	200 gal.	330 gal.
AXLE SIZE	3,500 lbs.	3,500 lbs.
JACK CAPACITY	1,500 lbs.	1,500 lbs.
BALL COUPLER	2 inches	2 inches
DIMENSIONS (L x W x H)	130" x 73" x 58"	178" x 80" x 62"
SHIPPING WEIGHT:	1,650 lbs.	1,980 lbs.

## STEP 2: SELECT A PRESSURE WASHER

SSG Skid-Mounted Pressure Washers:  
SSG models fit either trailer; SSD models are available on dual axle trailers only.

Choose from Kärcher-Shark's skid-mounted pressure washers:

MODEL	GPM	PSI	ENGINE / HP	FUEL	BURNER
SSG-403037E	3.9	3000	Honda 13	Gas	12V DC
SSG-503027E	4.8	3000	Vanguard 16	Gas	12V DC
SSG-503027E/G	4.8	3000	Vanguard 16	Gas	120V AC
SSG-503537E	4.7	3500	Honda 20	Gas	12V DC
SSG-503537E/G	4.7	3500	Honda 20	Gas	120V AC
SSG-603537E	5.6	3500	Honda 24	Gas	12V DC
SSG-603537E/G	5.6	3500	Honda 24	Gas	120V AC
SSD-603567E	5.6	3500	Lombardini 27	Diesel	12V DC
SSD-603567E/G	5.6	3500	Lombardini 27	Diesel	120V AC

## STEP 3: ADD A TRAILER OPTION OR ACCESSORY

Breakaway brake kit

Chrome wheels

Fuel tank & tool box

Kärcher-Shark offers a broad selection of options and accessories for the mobile wash systems, including electric and hydraulic brakes, fuel tank and tool box, hose reels, chrome wheels and fenders, and more.

## WHY KÄRCHER

*The undisputed world leader*

Kärcher is a pioneer in high-pressure cleaning equipment inventing the first hot water pressure washer in 1950. Today, Kärcher is the world's largest manufacturer of pressure washers and is the undisputed leader in innovation with more than 300 patents. Kärcher was the only brand of pressure washer invited to perform the first ever cleaning of Mount Rushmore in 2005.

More than 80 hot- and cold-water models!

# BENEFITS

Here are the Top 7 reasons Kärcher-Shark is America's #1 name in pressure washers

With the merging of Shark and Kärcher, our customers reap the benefits of a one-stop shop for pressure washer supplies, such as:

**1. More than 40,000 different replacement parts** and accessories in stock or ready to order when you need them most;

**2. A huge selection** of more than 80 hot- and cold-water pressure washers;

**3. Same-day shipping** on more than 30 of our most popular hot- and cold-water pressure washers as part of the popular Kärcher Ship Program (KSP);

**4. Competitive pricing** on hoses, guns, wands, nozzles, repair kits, and pressure washer components;

**5. Stainless steel coil wraps** that now come standard on nearly all of our hot-water pressure washers;

**6. A wide selection of detergents** formulated specifically for pressure washers, including the new portion packs that come in self-dissolving bags for easy storing and mixing;

**7. A handy and affordable Kärcher-Shark Parts Box** that puts the most often needed pressure washer parts at your fingertips.
