

PULLMAN-HOLT

P7 PorterVac

Pullman-Holt's new model P7 PorterVac is the most advanced backpack vacuum design offered in the market today. This sleek, tapered vacuum allows for superior airflow while providing excellent mobility and freedom of movement. Weighing only 10 lbs and equipped with the most comfortable backrest in the industry, the P7 significantly increases productivity in multi-tasks cleaning operations in hotels, schools, airports, office buildings and hospitals.

Features:

- Includes complete tool kit to meet any job: 1.5" steel double bend wand, hose, carpet tool, crevice, dusting and upholstery nozzles.
- Long 50ft cord gives you more mobility over large areas.
- Padded shoulder and waist straps stabilize the vacuum on the operator's back and hips and permits long, uninterrupted cleaning.
- Snap-on top is reversible to allow hose to be moved to either side for right or left handed operation.
- Four-stage filtration system with sealed-air HEPA filter provides superior clean air exhaust.
- Blower adaptor fits into front of unit, converts vacuum into a convenient blower.

Technical Specifications:

Waterlift	98"
Capacity	8 quarts
Noise Level	69 db.
Cord	50 ft.
Unit Weight	10 lbs.
Shipping Weight	23 lbs.

ETL certification - meets UL and CSA standards.
