Model Number: HN20004E2G

Hydro Tek HN20004E2G, HN Series Electric Stationary, Natural Gas Hot Pressure Washer, 2000 PSI 4 GPM, Belt Drive General Pump, 230V, 1PH, 5HP

Manufacturer: Hydrotek

Hydro Tek HN20004E2G, HN Series Electric Stationary, Natural Gas Hot Pressure Washer, 2000 PSI 4 GPM, Belt Drive General Pump, 230V, 1PH, 5HP
Description

Made in the USA for industrial use, the HN Series is a stationary hot water pressure washer that is powered by electricity and heated by your choice of natural gas or propane. This allows you to install indoors and have hot water on demand in your wash bay at your facility. These models include stainless steel panels, industrial duty motors and pumps and a lifetime heating coil warranty. Is your cleaning system ready to work anytime you are? With the HN series pressure washer, there is no need to light a pilot, refill the fuel tank, or hunt down a water hose. Simply set the switch to hot or cold and start cleaning. The low speed belt driven pump system is built for reliability. It also features a float tank and full pressure soap injection. The auto ignition burner runs on natural gas or optional liquid propane to help keep the air clean. The stationary design and high output is ideal for in-plant cleaning, car or truck washing, maintenance yards, industrial applications, and equipment repair cleaning at a price that is less than you might expect.

Features

- Clean and efficient heating system
- NEMA4 water tight electrical box
- By-Pass-Cool system protects pump from overheating if left on after use
- 24 volt automatic ignition system on low emission natural gas burner
- Durable frame construction
- Best in class accessibility
- Dual rated for 208v or 230v - 1ph, 20 amp
- V-Belt drive with EZ align pump rail
- General Pump

Included

- Gun/Wand Assembly with Quick Disconnects
- 50 ft. Quick Connect Hose
- Full pressure chemical injection, precision stainless steel metering valve

>

- 3 color-coded QC spray nozzles (15”, 25”, 40”)

Specification

Pump
GP

Drive system
Belt Drive
