Model Number: TM33-340A

2016 SteamBrite TM33-340A Assembled Hot Trailermount Vacuum Generator 200Gal Tank Truckmount Pressure Washer

Manufacturer: SteamBrite MFG

2016 Zero Hours of Use.

Steam Brite Recovery Trailer Truck Mount 33 Hp 4000psi HOT 4.8 gpm 15hg Vacuum BE9000 Watt Generator 200 Gal Fresh Tank Hydrotek

SK40005VHT185SKH HOT Pressure Washer Hot2Go - Cash Prices - In stock in San Antonio, TX 78266

This is a Carpet Cleaning Trailer Package, Pressure Washing Trailer Package, and water extraction flood package.

Cleans tile and grout with optional tool.

Assembly labor included

Advantages:

- Instantly toggle back and forth between pressure washing, tile and grout cleaning, carpet cleaning, sewer jetting, mattress cleaning, and flood water extraction.
- Quit walking over all the money laying on the driveway and sidewalk as you walk towards your carpet and tile cleaning work.
- Compact trailer cleans hotter than heat exchange truckmounts.
- Non stop flood and water extraction capabilities. (normal truckmount have to drain their waste tank every 5 to 10 minutes in heavy flood water extraction work, this unit automatically discharges 30 gallons every 60 seconds.)
- On board generator to running seaming iron, scrubbing machine, fans, rotary power wands with job site is without power.
- Includes Four hose reels: Tile and Carpet Cleaning, Pressure Washing, Garden Hose, and Vacuum Hose
- Only burn enough fuel you need for the job at hand. Only run the pressure washer when you need pressure, only run the generator when you need vacuum. Optionally plug the Goliath Trailer-mount into a 240 volt outlet.
- Can be towed with any pickup truck (water removed from tanks)

>

- Cost less than many truckmounts but cleans more surface types. (most truckmounts cannot clean concrete at 3000 to 4000 psi)
- 200 gallon fresh water tank mean cleaning larger jobs between refills
- Self contained, no garden hose or electricity required.
- Easier to service and maintain - everything is easy access.
- Super Compact design is only 10 ft (120" L) X 5.7 ft (69") W X 5.3 ft (63.5") H

Cash Priced. This will require wire transfer payment. Ships to nearest hold at dock location. Credit cards not accepted on this item as credit card payments require shipping to the billing address. Unloading this trailer will require forklift extensions and special front load rigging that is not available at your home. You will have to bolt the trailer tongue onto the trailer in the trucking company yard, so bring tools with you.

Uses 2" towing ball. Home delivery is not an option. If you have forklift extensions, special heavy duty 3" wide ratchet straps.

Average shipping charge for this item is \$1500.00

Ships from San Antonio, TX 78266

TM33-340 Truck Mount Trailers and Recovery Includes the follow parts:

Dual Unloader Full Range Pressure System for Hydrotek SK30005VH and SK40005VH Pressure Washer (parts only) 20171006

This allows you to operate with on unloader factory preset for pressure washing and one you adjust for upholstery, carpet, tile cleaning.

>

Factory Installed
AR Pump RK1828HN Replacement Pressure Washer 4.75 gpm 4000 psi
1450 rpm RK18.28H or similar

Testimonial:

The job site required me to leave the machine on a higher floor than the surface being cleaned.

With the pressure washer set at 1700 psi and applying the water with dual 02 jets using the TH15 spinner wand

"Cleaning one and two floors below the Goliath I only needed to run two vacuum motors to pick the water straight up vertically 40 ft and over horizontally 100 ft. using 150 ft of 2" ID vacuum hose.

Cleaning 3 and 4 floors straight up (80 ft) and over 100 ft, I used 3 vacuum motors.

Cleaning 5 floors (100 ft) straight up plus 100 ft. horizontally, I ran all 4 vacuum motors and it worked perfectly!

Since then I had an opportunity to perform a side by side comparison against a Sapphire 370ss and the Goliath was way stronger!"

<https://www.naturalcleaningsystems.ca/>

The 6.6 Goliath recovery system is a beast! I was somewhat surprised at how well it performed. The vacuum and pump out is as strong as any truckmount system or even stronger. The setup is very simple as it should be. Easy to use and the build quality seems to be very strong. The suction power is great. The system has no problem keeping up with a 4 gpm power washer on just 2 vacuums on. Cleaning out the waste tank is simple and made easier with the drain valve on the front of the unit. The extension cords are high quality which are sent with the vacuum. I will recommend the Goliath system to any new business or current power washers that need a water recovery system. Great Job Steambrite! Ricky Smith - Covenant Keeper Restorations

"Vacuum is awesome! I love the automatic flood pumping ability. I have worked with the Boxxer 427 for many years and found my Goliath Quad 6.6 feels stronger to

>

me!"
