StainOut Systems k-003, Upholstery Spray Gun

Manufacturer: StainOut Systems

StainOut Systems k-003, Upholstery Spray Gun

Description

Experience effortless upholstery spraying with our comfortable spray gun. Designed for long hours of use, this ergonomic tool ensures precise and comfortable application, making your upholstery projects a breeze. Say goodbye to hand fatigue and hello to professional results with our upholstery spray gun.

Features

- **Versatility**: The Quick connects allow you to effortlessly switch between your carpet lance and upholstery gun.
- **Precision**: The upholstery gun provides precise control over the spray, allowing you to target specific areas without overspraying. Using a narrow sprayer pattern enables you to have accurate control especially with delicate fabrics. Stainless steel 4001 jet included.
- **Efficiency**: With the upholstery gun, you can achieve a more even and consistent spray coverage, reducing wastage of spray material.
- **Time-saving**: The upholstery gun can help you complete upholstery projects faster due to its efficient spray application.
- **Professional Finish**: Using an upholstery gun ensures a professional finish with smooth and even coverage on upholstery surfaces.
- Comes with 01 flow stainless steel jet. Add a high flow jet for faster coverage.
