Phoenix 4045500-02, AirMax Low Profile Air Mover Blue

Manufacturer: Phoenix

Phoenix 4045500-02, AirMax Low Profile Air Mover Blue

Description

The Phoenix AirMAX is the new leader in performance, convenience, portability, and safety for low profile air movers. Its compact 20 1/2" X 17" footprint and 8 7/8" height make the Phoenix AirMAX the most compact and portable fan in its class. The rugged molded built in handle gives you the solid control required when packing and unpacking lot of air movers. Its easy-winding cord wrap and multiple securement options makes it a snap to prep for transport. Because of its deeply-molded interlocking features, the Phoenix AirMAX is rock solid when stacked for transport. With its patented, low resistance motor support bracket and optimized outlet shape, the Phoenix AirMAX delivers airflow of over 925 CFM. This gives you high velocity In addition, the Phoenix AirMAX is stable on all 5 sides for maximum flexibility to position and direct the drying.

Features

- 925 CFM, 1.9A
- Daisy chain up to 6 fans on a single 15 Amp circuit
- Ultra secure stacking and cord wrap
- All stainless steel fastener
