Phoenix 4024824-02, Air Scrubber Pre Filter, 16in x 16in x 1in, Case of 12
Description

The Phoenix 4024824-02 is a case of 12 replacement 16 x 16 x 1 prefilters designed for Phoenix air scrubbers and negative air machines. These prefilters serve as the first line of defense in your air filtration system, capturing larger debris and particles before they reach the primary HEPA filter. Regular replacement of prefilters extends the life of expensive HEPA filters and maintains optimal airflow efficiency.

Features

- Protects expensive HEPA filters from premature clogging
- Maintains consistent airflow and filtration performance
- Reduces overall maintenance costs
- Case of 12 provides convenient bulk supply

Compatibility

Compatible with Phoenix air scrubbers requiring 16x16x1 prefilters

Part Number: 4024824-02
