Model Number: B502

Hydro-Force B502, Floodjet Brass K2 1/4in MPT, 1629-0191

Manufacturer: HydroForce

Hydro-Force B502, Floodjet Brass K2 1/4in MPT, 1629-0191

#### Description

When used in carpet and upholstery cleaning equipment, brass jets should be replaced every six months and stainless jets once a year. Although difficult to detect, jets do wear out and can contribute to uneven cleaning, loss of heat and change of chemical draw.

#### Feature

- Ideal for operations requiring wide coverage
- Wide angle, deflected type flat fan spray pattern
- Use when nozzles can be mounted horizontally
- Orifice is protected from damage and is designed to minimize clogging
- TEK provides a tapered edge spray pattern to eliminate heavy edges while maintaining the wide spray pattern

#### Specification

Product Type: Flat Spray Tip

Size: Size 2

Material: Brass

Length: 1.343 in

Connection Type: MPT

Pressure Rating: 7 to 60 psi

Connection Size: 1/4 in

Flow Rate: 0.17 to 0.49 gpm

Spray Angle: 83/129 deg

Spray Pattern: Tapered Edge

Weight: 0.060
