Husqvarna 505453201 Water Kit for PG6 / PG8 Concrete Grinders (Wet Grinding System) GTIN 805544575591

Manufacturer: Husqvarna Equipment

Husqvarna 505453201 Water Kit for PG6 / PG8 Concrete Grinders (Wet Grinding System)

OEM Husqvarna water kit enabling wet grinding for PG6 and PG8 series floor grinders. Connects directly to a water source to reduce dust and improve surface finish.

Normally operator would hook to building pressure water source.

Pro Tip (Upsell Opportunity)

Bundle this with:

Your HEPA vacuum (dry grinding option)

AND this water kit (wet grinding option) when non HEPA vacuum is being used to pick up slurry.

Position it as:

“Choose Dry (HEPA) or Wet (Water Kit) Grinding Setup”
