Model Number: C15106TF

PMF C15106TF Teflon Glide Tool Perforated Curtain Cleaning Wand 6in Wide 400Psi Aluminum Valve 1.5 Inch Stainless Steel Pipe

Manufacturer: Production Metal Forming

PMF C15106TF Perforated Curtain Cleaning Tool ‐ 6 Inch Wide Aluminum Valve Wand ‐ 400 PSI with Teflon glide, Low Pressure Hose
The PMF C15106TF Teflon Perforated Curtain Cleaning Tool is designed specifically for professional drapery, curtain, and delicate upholstery cleaning applications. Unlike conventional upholstery tools that can pull fabric into the vacuum slot, the perforated vacuum edge distributes airflow evenly to protect delicate materials while maintaining excellent moisture recovery.

Manufactured in the USA by Production Metal Forming (PMF), this professional-grade tool features all-stainless-steel construction, a durable brass control valve, and a Low-pressure solution whip rated for up to 120 PSI. The 6-inch cleaning head allows technicians to clean larger sections of fabric faster while maintaining excellent control. "400 PSI aluminum valve with a low-temperature / low-pressure solution hose whip" the C15106TF is specifically intended for:

- Portable extractors
- Hot tap water use
- Delicate drapery cleaning
- Lower-cost alternative to the C15106ATF

Key Features

- 6-inch wide cleaning path increases productivity on large drapery panels.
- Perforated vacuum edge prevents delicate fabrics from being pulled into the vacuum chamber.
- Integrated spray system applies cleaning solution similar to an upholstery tool.
- Heavy-duty brass valve rated for professional daily use.
- 120 PSI operating pressure capability.
- High-pressure solution whip included.
- All stainless steel body, tube, hardware, nuts, and bolts.
- Made in the USA by PMF.
- Suitable for drapery, curtains, valances, fine upholstery, and fabric partitions.
- Replaceable PTFE glide

Add PTFE Glide Benefits

Reduced friction
Easier movement across fabrics
Less operator fatigue
Reduced snagging risk
Replaceable wear surface
Better control on vertical draperies

What Is Included

- PMF C15156BTF 6" Curtain Cleaning Tool
- 400 PSI Aluminum Valve Assembly
- Low Pressure, Low Temp Solution Whip
- Stainless Steel Vacuum Tube Assembly
- Teflon Glide

Note: Quick disconnect couplers are not included and should be ordered separately to match your machine and hose configuration.

Frequently Asked Questions

Can this tool be used with truckmount systems?

No. The Aluminum valve and stainless construction are designed for professional

>

portable non heated extractor use.

Why choose a Teflon glide?

The PTFE glide reduces friction against delicate fabrics, allowing smoother operation and reducing wear on both the tool and the fabric.

Is the glide replaceable?

Yes. The PTFE glide can be replaced when worn, extending the life of the tool.

Can this be used for upholstery cleaning?

While optimized for curtains and draperies, many professionals also use PTFE glide tools on delicate upholstery fabrics.

Why use a perforated curtain tool?

The perforated vacuum edge spreads vacuum airflow across multiple openings, reducing the possibility of lightweight fabrics being drawn into the vacuum slot while still providing excellent moisture recovery.

Can this tool clean upholstery?

Yes. Many technicians use perforated curtain tools on delicate upholstery fabrics where maximum fabric protection is desired.

What pressure should I use?

Most drapery cleaning applications are performed between 50 and 300 PSI depending on fabric type and cleaning chemistry.

Is this tool made in America?

Yes. PMF manufactures these tools in the USA using professional-grade stainless steel components.

Why Professional Cleaners Choose PMF

For decades PMF has been one of the industry's leading manufacturers of carpet wands, upholstery tools, valves, and specialty extraction equipment. The C15156B combines durability, fabric safety, and professional cleaning performance into one specialized drapery-cleaning solution.

Production Metal Forming Inc. is the largest manufacturer of carpet wands, upholstery tools, valves and other accessories for carpet and upholstery cleaning industry. We created the patented Hide-A-Hose and the patented Internal Spray Detailer. We also make proprietary items for OEM manufacturers of the industry. PMF's reputation is built on first-rate customer service and quality products "Made in the USA."

Applies cleaning solution just like an upholstery tool

Perforated vacuum edge prevents fabrics from being sucked into vacuum chamber

Great for cleaning fine upholstery fabric also

All stainless steel including nuts and bolts

Please note that the 6" tool will not have edge splash guards on them. The factory does not have a photo of the 6" wide tools.

Note: Quick disconnects are not included with tool. Please add connectors to your shopping cart...
