Manufacturer: Clean Storm

Clean Storm HP60-200 Plus Heated Auto Detail Extractor 6gal 200psi 3 Stage Vac Internal Spray Hand Tool (Bidirectional Cleaning)

Note this item is special order. Please allow extra time for manufacturing.

Description

Good things come in small packages! Its compact size makes it the perfect extractor for mobile detailing. This Heated Automotive Detail Extractor contains a 5-gallon capacity solution tank (approx.), powerful 3 stage vacuum motor and 200 psi demand pump.

The added water pressure allows you clean car faster than you thought possible while the U1560PSB internal spray hand tool allows you to cleaning bidirectionally (both directions) The original HP60 only lets the operator make his/her cleaning stroke towards themselves and this Plus model has Zero overspray and cleans both towards and away from themselves. You will clean a 100% faster!

This automotive detail extractor provides 1,200W of inline heat to help loosen up tough grime for easy extracting. Plus, the Spyder runs all of it's components from a single cord! This makes it easy to find power no matter where you go!

Features

- 5 gallon (approx.) solution tank
- Single 3-stage LA motor
- 130' of water lift, 100 CFM
- 200 psi demand pump
- 1,200-watt in-line heater with max 210°F temperature produces hot water that quickly breaks up grease and dirt
- High drain valve, perfect for emptying into a standard bucket
- Compact design to fit perfectly into a van, truck or storage area
- Durability roto-molded polyethylene material that resists rusting and denting
