

Model Number: 34-007

Shurflo 34-007, Heat Sink Cover, 5 inch, Continuous Pump Use, and Longer Life, Cool Clip

Manufacturer: Shurflo

Shurflo Pump heat sink 34-007 is 5" long and heat sink 34-006 is 3" long. Why just half cover the pump? This is why we stock the longer 5" model for maximum protection. Both are designed to use on the standard 3" diameter motors for use on 115 volt, 12 volt, and 230 volt models. For use on 2088 and 8000 Series motors. Heat Sink

Mounts to standard SHURflo motor to assist cooling in continuous-duty applications. Made from anodized aluminum.

Compare to current or past OEM associations:
