Superior removal of oil, grease, ink and cosmetics

Sapphire Scientific Oil, Grease, Cosmetic (OGC) Spotter is useful for removing a variety of oil soluble stains such as grease, lipstick, ink and shoe polish. OGC contains a proprietary blend of organic solvents that quickly dissolve these difficult substances.

Oil, Grease and Cosmetic Spotter is sold as a ready-to-use solution and is not to be diluted before use. It is recommended for use on fabrics that can tolerate contact with both water and solvents. Formulated with a pleasant mint aroma.

Same Formula Ships in 2 different labels.
