Hypro Pump 2160-0038-1, Oil SAE 30 Weight, 1 Quart

Manufacturer: Hypro Pumps

Hypro Pump Oil

Hypro's specially-formulated SAE 30 weight, non-detergent, high-grade oil with special added agents is the best prescription to maximize a pump's life. Using Hypro oil is a most affordable and highly effective means of preventive care for your pump.

>

Hypro Pump Oil Features

- Reduces scuff and wear in diaphragm, piston, and plunger pumps
- Inhibits moisture that causes damage
- Prevents oxidation that could lead to sludge formation
- Resists foaming and aeration that can cause equipment to operate erratically and oil to oxidize
- Provides smooth pump operation in a variety of temperatures
