Manufacturer: Sebo

Sebo Duo Brush Machine Dri-Way Jr Encapsulation CRB Machine
Description
The ideal way to maintain carpet between regular cleanings. Special Dri-Way Jr. counter-rotating dual-brush machine works Dri-Way Compound into carpet to dislodge and absorb soil which is then easily vacuumed away. No drying time.

Also used as a prescubbing machine after you prespray traffic lane cleaner and before you hot water steam rinse

SEBO duo CLEANING SYSTEM DESIGNED TO DRY CLEAN CARPET AND UPHOLSTERY – SEBO’s CRB easy-to-use duo Cleaning System effectively cleans large or small carpeted areas and removes stubborn stains from upholstery and carpets. The duo-P Powder and Brush Machine can easily clean a room or house full of carpeting! In addition, the duo Daisy or Hand Brush quickly cleans high-traffic areas, stairs, automobiles, RVs and boats. Can be used with any make, brand, or sku of prespray, traffic lane cleaner, or adsorbent powder. Many professionals find the power of the Sebo Duo is the perfect lightweight solution to ultra quick agitation to embedded soils to prep the carpet for hot water extraction rinse or steam cleaning This do-it-yourself system is highly effective, easy to use, and saves time and money.

Four Easy Steps
SEBO Quality
The SEBO duo-P carpet cleaner is extremely effective and easy to use. The carpet cleaning system is completely dry, and it takes just 30 minutes to get professional results.

SEBO Power
Simply apply any brand of encap prespray. Follow by sprinkling any brand of encapsulation adsorbent powder. The SEBO duo-P Powder to the soiled area and allow it to work in for a few minutes before using the SEBO duo-P carpet cleaner, which lifts and separates every carpet fiber for a thorough, deep clean.

Excellent Results
Once the SEBO duo-P carpet cleaning system has done its work and completely dried, simply vacuum away the residue and behold the amazing results. Wide areas and spot treatments alike are restored to like-new condition.
