PMF CV25S-ST, Crevice Tool, 18in Long Internal spray, 1000psi Stainless Steel Valve, Hand Wand

Manufacturer: Production Metal Forming

xPMF CV25S-ST Crevice Tool 18" Long Internal spray 1000psi Valve Hand Wand

Internal spray crevice tool by PMF Tools

This is bested used between 200 and 500 psi but does have a vacuum release thumb slide if you would like to use with extractor under 200 psi.

All Stainless steel construction with a 1000 psi Stainless Steel valve and 1250 psi rated pressure hose.

No QD is included. Please purchase a male or female QD to match your brand of extractor your are planning on using. If you do not know which one to purchase, purchase a male because this is what is used on 98% of all brands. Hydramaster, White Magic, Butler are the only factories that use Female QD's

Optional:

Clean Storm
