Model Number: 860471

Nikro 860471 - 20ft Solid Inner Rod Core Only Cable For Rotary Brush System No Outer Jacket No Brushes

Manufacturer: Nikro

Replacement repair part for 20 foot Solid inner Core Rotary Brush System

This is the repair part only and does not comes with brushes seen in photos

Product Description

New snap on design - No need for tools

Can be run in forward or reverse without the possibility of spinning off a brush

Button locking stainless steel design for durability and lasting performance

Solid Core design for rigidity prevents the cable from curling back toward the operator and allows for greater control of the brush head. These systems have a replacement inner rotary core that can be replaced/repared in the field, providing longer life of the system and preventing down time. Powered by your drill with clutch or one of our clutch driven drills or drive unit.

Reload lithium grease on the inside of the hose.

Half price shipping if picking up in SteamBrite San Antonio TX
