Manufacturer: Chemspec

Chemspec 10203 Browning Treatment and Coffee Stain Remover 1 Gal BTG 09196501814 - C-BT4G
Description
Reverses browning and removes stubborn coffee and tea stains from a variety of carpet fibers and upholstery. Also suitable for use on stain-resist carpet.

For professional use only. Keep out of reach of children. Read directions and cautions before use.
Features

- Ready to use
- Removes coffee and tea stains
- Removes browning from jute backing
- Safe for carpet and wet cleanable upholstery

Specification
Appearance: Clear Liquid RTU
Odor: acrid sulfurous
PH 3.54
Specific Gravity: 1.010
Directions
Do not dilute. Pretest carpet or upholstery for colorfastness in an inconspicuous area.
Carpet and Upholstery

- Apply uniformly to affected area using chemical-resistant sprayer (coarse spray nozzle). DO NOT MIST.

- Carpet: Brush into carpet with pile brush. Upholstery: Do not overwet.

- Allow to work until browning is removed or intensity is reduced. Blot (do not rub) with clean, dry white cloth to remove excess moisture.

- Extract with portable or truckmount using Optimal Rinse.

Coffee Stain Remover

- Clean spot with a neutral pH detergent. (For large spills, e.g., whole cup or pot: Blot up excess before cleaning with neutral detergent.)

- Then apply Browning Treatment using a chemical-resistant sprayer (coarse spray nozzle) or moisten area with product using a clean, white cloth.

- Allow to dry completely, then vacuum thoroughly.

- Apply product again if necessary.

Steambrite Supply

• On wool or dyed carpet fibers Rinse thoroughly with cold water once stain is gone.
• Blot excess moisture with white spotting towel.

For large spills (i.e. whole cup or coffee pot):

• Blot up excess then clean area with a neutral detergent.
• Apply product.
• Allow to dry over night; then vacuum thoroughly.
• If necessary, treat area again.
• Rinse thoroughly with cold water once stain has been removed on wool or dyed carpet fibers.
• Blot excess moisture with a white spotting towel.

Safety Cautions
CAUTION: Use product only in well-ventilated area. To avoid skin irritation or slip hazards, do not walk on wet carpets with bare feet! Keep out of reach of children!! Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material safety data sheet. (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product. Product may be harmful if swallowed. Contact physician immediately. For skin or eye contact, flush area with clear water for 15 minutes. For eye contact, consult a physician immediately.
