Model Number: EC22000VE

Winco EC22000VE-03/A 3 Phase 17 Amp Industrial Generator Briggs and Stratton Gasoline Engine
Freight Included

Manufacturer: Winco Generators

Winco EC22000VE-3 Phase Industrial Generator Briggs & Stratton Gasoline
Engine

WINCO has over 85 years of experience manufacturing industrial grade generators. We focus our attention on developing the highest quality generators available at the best long-term value. WINCO vehicle mounted generators are used in spray foam insulation, construction, mining, oil field, service, and emergency vehicles. These generators provide dependable power when reliability is a necessity.

Engine

- B&S Vanguard 993 CC
- Cast iron cylinder sleeves increase engine life and reduce oil consumption
- Standard low oil protection
- CARB and EPA compliant

Generator

- 100% Copper Windings
- Fixed stator with skewed slot and a rotating inductor fitted with a damper cage
- 2/3 pitch reduces harmonic content $\leq 5\%$
- MAUX Auxiliary System ensures the generator end can withstand 300% motor starting inrush for 20 seconds.
- AVR true RMS with voltage accuracy of $\pm 1\%$

Additional Features

- Optional fuel tank from WINCO that includes 15 gallon composite fuel tank, primer bulb, fuel cap with gauge, carbon canister, fuel line, connectors and brackets.
- Electric key start at the generator.
