Manufacturer: Clean Storm

Clean Storm T-4S Tandem Connection Bar For Crb 17 TM4-C Floor Scrubber machine TM4-TB 67-062 E86
BACK ORDER 3 MONTHS!!

Description

Tandem connection bar helps you connect your TM4 or TM5 machines for Tandem use, to work side by side, allowing you to make the most out of our cleaning equipment. Made with the highest quality material, these bars are designed to endure moisture and dirt without losing the strength and durability. Also, these are easy to attach and remove without much hassle.

Also works on the Versaclean 67-065 units.
