Model Number: V2KUG

Internal Heater Upgrade Installation For Any Carpet Cleaning Machine V2KUG

Manufacturer: Steambrite MFG

Add an inline heater to you portable carpet cleaning machine. Usually can be added to any portable on the market. (all makes all models) Covers parts and labor but not double shipping.

We take your carpet cleaning machine and add a heater to the motor box. This means we will be adding an extra power cord and switch. This also means that your machine will have to be double shipped. One shipping to us and then back out to you.

We Have many different shapes and sizes of heaters that we can install on the inside of your carpet cleaning machine.

Listed below are some examples:

.
Optional

Magnetic Clamp-On Water Softener Descaler for Truckmount & Portable
Carpet Cleaning Machines 20260425

- Helps prevent scale buildup in pipes, coils, heaters, and carpet cleaning heat exchangers
- Reduces or eliminates routine monthly descaling in many applications
- Clamp-on installation — no cutting, plumbing, salt, chemicals, or cartridge replacement
- Maintenance-free design — no salt, resin, plastic pellets, filters, or media to flush
- Improves heat transfer efficiency by helping keep mineral buildup off heater surfaces
- May improve water flow / GPM by helping reduce mineral restriction over time
- Only 4 inches long for installation in tight areas on portable and truckmount equipment
- Longer Equipment lifespan
