Model Number: U1560PB

PMF U1560PB, Open Spray, 3.5in Wide Upholstery Tool, Clear See Through Head, 500 psi Brass Valve Wand, 86219340

Manufacturer: Production Metal Forming

PMF U1560PB Open Spray Upholstery & Auto Detail Tool - Clear Head, Brass Valve, 500 PSI

The PMF U1560PB is a professional open-spray upholstery and auto-detail extraction hand tool with a 3.5 inch clear see-through vacuum head, stainless steel handle, and 500 PSI brass valve. The clear head lets the operator watch soil and moisture recovery while cleaning upholstery, stairs, vehicle seats, fabric panels, and tight detail areas.

Best Uses

- Automotive upholstery and vehicle interior detailing
- Furniture, sofas, chairs, cushions, and fabric panels
- Stair edges, corners, and smaller extraction areas
- Portable extractors and truckmount carpet cleaning machines

Key Features

- 3.5 inch clear head allows visual confirmation of soil and water recovery
- Open external spray design for controlled rinsing and extraction
- 500 PSI brass valve for heated extractor and truckmount use
- Stainless steel tube handle for long service life
- 1 ft high-temperature solution hose whip
- Easy-to-service external jet design

#### Cross Reference / OEM Associations

- PMF U1560PB
- Windsor / Karcher 86219340
- 8.621-934.0
- 8.600-002.0
- 86000020

#### Important Ordering Note

Quick disconnect couplers are not included unless selected in the product options. Please choose the correct male or female brass quick disconnect to match your extractor or truckmount hose connection.

#### Why Buy From SteamBrite?

- Competitive price on the exact PMF U1560PB model
- Optional quick disconnect choices available on the same page
- Ships from a carpet cleaning equipment specialist, not a general merchandise seller
- Support available for matching hoses, couplers, valves, and replacement parts

- Open spray upholstery tool (for use at 50 to 120 psi)
- Stainless steel construction with clear head (so you can see if the fabric still needs to be cleaned some more)
  - 3.5in wide pickup head 9in handle
  - Brass valve - 500psi (so it can be used with heated machines)
  - Male or female brass QD not included, please remember to add to order.
  - Hose on this tool will NOT look like the photo above, rather the valve will be upgraded to brass with a high temperature hose.

>

- Compare to current or past OEM associations:
- Same as EDIC 1037AC when you purchase the optional Female Brass Coupler and Upgrade the plastic valve to this included brass valve
- Windsor 86219340
- 8.621-934.0
- 8.600-002.0
- 86000020

Optional:

Horse Hair Brush with Comfort Grip Handle For Upholstery Cleaning
