Sell Your Used Panther 27HP Truck mount

Manufacturer: ChemTex

Do you own an old Panther Truckmount that fits this description that you would like to sell?

Does your Panther truckmount break down a lot? We will place a photo of your used Panther Truckmount for free on this website. Just email us a photo, age, hour reading, warranty info, any accessories that are included, how you would like to handle shipping, and all your contact information. This ad has a \$50 value and is limited to used Panther Truckmounts Only. The add will stay on-line until it sells and you email us to remove it.

Please note that we are NOT giving away a free used truckmount. We are simply offering to help you sell yours and waiving the \$50. fee for building the webpage.

- Compact Size: 36"L x 20"W, Weight: 450 lbs.

Panther's compact size and lightweight allow easy installation in any small 1/2 ton-related van or truck with plenty of room for extra tools and equipment.

- Continuous Heat: Temperature: 230° F

This work-saving continuous 230° F supply of water is provided by state-of-the-art 100% stainless steel dual heat exchange system. Cut costs by eliminating dangerous LP gas or fuel.

- Powerful Vacuum System:

The Root® 4.7MP Positive Displacement Rotary Lobes vacuum blowers produce over 18 inches of mercury and 542 CFM. The Panther 27's powerful Roots® blower, in combination with a constant supply of 230° F water, dramatically reduces carpet-drying time. Operating vacuum hose length maximum 600 feet.

- Power by KOHLER® Command Engine 27 Horse Power

The fuel efficient Command Twins® are designed to meet strict emission standards. In addition, quiet dB (A) sound power levels help OEM's comply with worldwide noise regulations.

The KOHLER® Command 27 is the finest twin cylinder OHV air-cooled engine that money can buy, and with a service network of over 10,000 dealers worldwide, it's the best-backed engine on the market today.
