The best thing about the Clean Storm Carpet Extractor that makes it unique from other Carpet Extractors is the fact that it is a much lighter machine. You will find this 12 gallon machine easy to move with its size and weight but You'll find it packs a punch when it comes to its cleaning power. This Carpet Machine comes with a 12 gallon fresh water tank and a 12 gallon waste tank. It has dual 3 stage vacuums and a 500

>

PSI pump. This machine is heated with a 2000 watt Heater.
Wired: One cord runs one three stage vacuum, 1000 watt heater. The other power cord operates the other 3 stage vacuum motor, second 1000 watt heater, and the 500 psi water pump.

Pumptec water pump notes:

Please note you can turn the machine all the way down to 50 psi if you want.
Head is rated for 800 psi but the motor is only designed to push 500. Please do not turn the motor up past 500 or you will shorten the life of the pump motor.

This Item is Machine Only.
