Model Number: F200-Mytee

Mytee F200 Hose Mount Lint Hog Debris Carpet Cleaning Machine Hose Filter for 2 inch vacuum hose F200-Mytee

Manufacturer: Mytee Products

Mytee F200 Hose Mount Lint Hog Debris Carpet Cleaning Machine Hose Filter for 2 inch vacuum hose

#### Description

The Lint Hog captures debris to prevent damage to your extractor.

Use Mytee's 2" Lint Hog in-line filter to keep debris out of your extractor's vacuum motors. You'll experience unbeatable performance, extractor protection, user-friendly features, and durability. Protect your investment in equipment and your valuable time by ordering the Lint Hog today!

\*\*6/25/21 Factory released press memo stating they may and may not include the G008 piglet socks included with the filter. Only included for free on some orders but not all orders.

#### Video

#### Features

- 2" inlet
- Placed between two vacuum hoses, the stainless steel strainer basket traps debris as it moves from the wand to the extractor
- Wide, ribbed body provides maximum strength under pressure to allow for maximum airflow
- Keeps dirt, lint and other debris from damaging the extractor's vacuum motor, which can lead to down time and costly repairs
- The only maintenance is to rinse after each job and lubricate the threaded cap.
- Durable roto-molded housing
- Cuff-Lynx ready for easy hose attachment

#### Includes

Two Mytee's Cuff-Lynx hose connectors

One 1.5" Cuff-Lynx reduce

Note past version have had stainless and aluminum strainer baskets that are currently can be filled with either of these two options below. As a customer, you cannot pick. We do not open the boxes to see what the default strainer system is included for free. Either it will be a stainless basket with holds drilled in it or it will be a stainless ring and mesh bag.
