Bissell CC1000-KIT-1 Caddy Clean Dual Power Head Scrubber

Lightweight hand tool extends your cleaning effectiveness

- Perfect for stairs, tight corners and hard-to-reach areas

- Ideal for touch-up cleaning and spot removal

- Great for upholstery, Hard Surface Agitation

The most efficient, versatile, ergonomic of light scrubbing machines on the market.  
Developed in Sweden for the professionals.

CaddyClean® is designed with the user in mind, simple to handle and economical. The extremely low weight 2,3 kilos (4,9 lbs) and practical design makes it ideal for cleaning in areas where manual methods presently are used.

CaddyClean® has an ergonomically designed handle with many features such as adjustable and variable shaft length and angle. The heavy duty battery lasts up to 2-3 hours. The brushes are designed for hard to reach corners and niches.

CaddyClean® has a snap on attachment grip for the scrubber head, for easy replacement.
