Dewalt Extension Power Cord 12-3 X 25 feet Heavy duty Lighted Ends UPC 661899169256 Item DXEC17443025 Freight Included

Manufacturer: Century Wire and Cable

DeWalt Extension Power Cord 12-3 X 25 ft with lighted ends & 125 volts

Grounded three-prong plug. One outlet, 15 amps, 12-gauge wire. 25 ft. Our heavy duty Century Power™ extension cords have become the industry standard for durability and safety. We use only soft-drawn, bunch stranded 100% copper conductors for maximum flexibility. In addition, our heavy duty plugs are molded with large strain reliefs that prevent the ends from pulling away from the body. Our cords are manufactured with cold weather insulating and jacketing compounds. As a result, Century Power™ cords are extra flexible in temperatures well below freezing.

Added insulation and flexibility for outdoor use.

Default color is Yellow Jacket but final shade or color is not guaranteed.
