Production Metal Forming Inc. is the largest manufacturer of carpet wands, upholstery tools, valves and other accessories for carpet and upholstery cleaning industry. We created the patented Hide-A-Hose and the patented Internal Spray Detailer. We also make proprietary items for OEM manufacturers of the industry. PMF's reputation is built on first-rate customer service and quality products "Made in the USA."

- 6 ft of 1-1/4" ID vacuum hose
- 7 ft of high pressure height temperature hose with bend restrictors.
 - To install you must unscrew the standard 1 ft solution hose off the back of the valve and screw in the new 7 ft solution hose into the valve, then just slip the hose cuff over the tool pipe.
 - This kit works with open spray, closed spray, and internal spray hand tools. The only requirement is the pipe on the tool needs to be 1.5" OD and the back of the valve needs to be 1/8" Fip connection.
 - Designed to hook to your provided 1-1/2" vacuum hose.
 - Relocate the heavy brass QD out of the car or onto the floor to lighten the weight of the tool in hand.

Example of converted Wand below

Comes with a 6 ft., 1-1/4 inch HIDE-A-HOSE, high pressure
Comes with a stainless steel 1-1/2 inch vacuum hose joiner on the end so you can quickly attach vacuum line
Low pressures up to high pressures

Note: Quick disconnects are not normally included with tool but is with this package.

Foster: 1/4in Male Brass Quick Disconnect QD

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >

Optional:
