Manufacturer: J.E. Adams

J.E. Adams 29035-10 Meguiar's D161 Detailer Silicone Free Premixed All-Season Tire Shine Formula Dressing - 1 Gallon Bottle

Description

Silicone-free tire dressing is the go-to choice for professionals looking for a high-performance dressing that can be used in any silicone-sensitive environment. Its VOC-compliant formula produces an incredibly deep, rich glossy shine on all exterior rubber and plastic surfaces.

Features

- Even, high-gloss shine
- Ideal for any silicone sensitive environment
- CARB VOC Compliant
- Body shop safe.

Specifications

Appearance: Bright Pink Liquid
Odor: Sweet, Clean Odor
PH: 6.8 - 7.3
Specific Gravity : 1.00

Dilution

Ready to use.

Directions

For best results, always apply to a clean, dry surface. Spray evenly over surface, allow product to dry.

NOTE: Possible staining on painted and non-painted plastic panels. Do not use on tires or seats of motorcycles, bicycles or other two-wheeled vehicles or surfaces that should not become slippery. Should splatter occur, remove immediately.

Professional Tip: After spray application, lightly dampen a towel or sponge with All Season Dressing and wipe over the surface (especially in grooved areas).

Safety Cautions

Keep out of reach of children

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material safety data sheet. (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product. Product may be harmful if swallowed. Contact physician immediately. For skin or eye contact, flush area with clear water for 15 minutes. For eye contact, consult a physician immediately.
