Harvard Chemical 239605, Glisten Manual Automotive Hand Wash, and Wax Detergent, 5 gallon pail 2396

Manufacturer: Harvard Chemical Research

HCR 239605 Glisten Automotive Hand Wash & Wax Detergent 5 gallon pail 2396

Description

This is a concentrated wash and wax product that has been uniquely formulated for automatic or hand washing cars, trucks, buses, and other vehicles. Glisten is a modern combination of synthetic detergents and emulsifiers, which provides effective cleaning to all vehicle surfaces. This product will quickly remove dirt and greasy soils for surfaces leaving behind a gleaming shine. This superior automobile wash and wax has a neutral PH and cains no acids, abrasives, or strong alkalis that might cause damage or contaminate streams, water supplies, or septic tanks after rinsing. Glisten is highly concentrated for economical use and works well in automatic car washing systems. This product will safely and completely perform all vehicle-cleaning jobs with benefits of high foam and dries without spotting.
