

Model Number: 180001

Harvard Chemical 180001, Bone Dry Encapsulation CRB Cleaner, 1 Gallon - 4001 - 1800 UPC 711978410844

Manufacturer: Harvard Chemical Research

Harvard Chemical 180001: Bone Dry Encapsulation CRB Cleaner 1 Gallon

#### Description

Bone Dry is a highly effective low moisture cleaner for carpets and rugs including 5th generation nylon. This product is highly effective in hot or cold water and contains emulsifiers that break down dirt, grease, oil, food residue and "wicked back" stains. Bone Dry contains special polymers that engulf and encapsulate dirt, detergent residue and other soils then dries to a brittle non sticky crystal. The crystal and entrapped soils are easily removed by routine vacuuming.

#### Features

- Dries to a crystalline solid
- Quickly breaks down stubborn dirt, grease, and oil
- Low Moisture, carpets are back in service quickly
- Prevents fiber re-soiling from sticky residues
- Prevents "wick back" of spots
- Safe on 5th generation carpets

#### Specifications

Appearance:	Clear Liquid
Odor:	Slight ammonia
Specific gravity:	1.01
PH 10% Solution:	8.8 - 9.3
Flammable:	No
Detergency:	Excellent

#### Directions

For cleaning dilute 8 ounces of Bone Dry per gallon of water. Cleaning solution may be applied with a pump up sprayer or traditional shampoo shower feed. Agitate the carpet using a low speed floor machine with shampoo brush, CRB, or a white rubberized floor buffing pad or any other comparable rotating brush (Pay attention to carpet manufacturers general cleaning guidelines to retain carpet quality and any warranty in effect). Carpet will normally dry within 30 minutes. Wait at least overnight before vacuuming allowing adequate time for the polymers to fully cure and harden. Bone Dry may also be used as a spotter when diluted 1:5 with water.

#### Dilution

Carpet Cleaning.....1:16 (8 ounces/gallon)

Spotting.....1:5 (25.6 ounces/gallon)

#### Safety Cautions

Keep out of the reach of children!

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material safety
