Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent,  
used at a trade show, tested in the showroom by a customer, last years model, return  
by shipping company, returned by customer, used by factory for R&D work, no  
factory box. Limited stock so if you purchase it and we cannot fill the order because  
another customer beat you to the bargain, your money will be returned. Please do  
not call to see if it is still available as if the web page is up and viewable, it is available  
this second. If you delayed and asked if it available so you let some other customer  
place the order ahead of you. All sales are final.

Condition of this machine: "A+ perfect"

\*Our refurbished / demo equipment goes through the same type of testing as all of  
our products do that are ready for purchase. The unit is in perfect working condition  
when it leaves our facility and includes the same warranty as a new machine (except  
labor).
