Harvard Chemical 60001 Orange Odor Destroyer Thermal Fogging Eliminating Solvent Based Concentrate 1Gal H600 711978403327

Manufacturer: Harvard Chemical Research

Harvard Chemical 60001 Orange Odor Destroyer Thermal Fogging Odor Eliminating Solvent Based Concentrate 1 Gal - H600

Description

Orange Odor Destroyer has a powerful orange scent proprietary formulated with a combination of essential oils and safety solvent soluble and mal-odor counteractants designed to deliver the maximum in odor neutralizing capabilities for those extreme circumstances. Designed to work in applications in which water based or bacterial enzyme products are inappropriate. Ideal for general odor control, restoration procedures, or topical over spray. Harvard Odor Destroyer can be sprayed with a fine mist solvent sprayer or it may be thermal fogged. Product versatility allows for wet or thermal fogging. These products are designed to be used undiluted at a ratio up to 1 gallon per 4000 square feet.

Features

- Orange Scent
- Solvent Based Concentrate
- Safe when used as directed.
- Contains natural organic oils
- Sprayed with mist solvent sprayer or thermal fogged
