PLEASE NOTE THESE ARE NOW GOING TO LOOK DIFFERENT / FACTORY IS  
UPGRADING THIS DESIGN

The new Lester Electric E-Series 24 volt 21 amp Battery Charger is an industrial grade battery charger for your 24 volt floor scrubber or other 24 volt industrial equipment. This industrial battery charger is designed for 24 volt battery systems and is built using SCR charging technology. E-Series chargers are industrial-grade SCR battery chargers well suited for use in both specialized applications, such as floor care, industrial vehicles, and aerial work platforms, as well as general-purpose deep-cycle charging applications. With a next-generation control platform and industry-leading intelligence and features. Lester Electrical's unrivaled reputation for quality, reliability, and innovative charge algorithms, the leading vehicle/machine manufacturers have made there company a trusted supplier for over 50 years. All E-Series II chargers are proudly designed and made in the USA. MADE IN AMERICA.

Factory Sealed box includes (1)Industrial 24 VOLT 21 AMP Battery Charger with required Gray Plug in Connector.

Once sold out by factory, soon to be replaced with the Summit II Series, of same performance.
