Groom Ind Aromacide CD504GL, Severe Odor Neutralizer and Counteractant 1 Gal (Bridgepoint Hydrocide 1610-1711)

Manufacturer: Groom Industries

Aromacide CD504GL Severe Odor Neutralizer and Counteractant

Lavender/Sage Scent

Premium Deodorizing Additive!

HYDROCIDE is an amazing new odor counteractant. It contains an odor neutralizer that binds to and absorbs odors no matter what the source. It can handle odors from humans, animals, food, chemical processes and smoke. Use HYDROCIDE with Water Claw to treat severe urine contamination or just add it to your pre-spray to treat areas of concern prior to cleaning. HYDROCIDE works immediately, making your cleaning job more pleasant. This amazing chemical does everything its competition does but without that pungent chemical odor and without any re-soiling residue! As a bonus, HYDROCIDE contains a polymer in the formula that helps to slow re-soiling of the treated area. It will make your reputation as a professional cleaner even stronger!

Product Features:

- Eliminates odor on contact
- Eliminates odor permanently
- Destroys odors in carpet, upholstery, mattresses, and grout
- Works on urine, vomit, decay, skunk, and much more
- No additives needed
- No oxidizers
- No enzymes
- No bacteria
- No chemical desensitizers

Aromacide Deodorizer has been specially formulated to counteract and neutralize organic malodors through a multi-phased attack on organic odor producing materials. It works effectively on a wide variety of common and specialized odor problems, including airborne malodors, skunk musk, urine odors, smoke odors, bacterial and fungal odors, stale odors, vomit, and many other organic and protein odors. The multi-phase attack first physically bonds to the odor, surrounds it with an odor barrier, and then leaves a fresh fragrance in its place. This product positively neutralizes odors and does not just "mask" them.

Groom Ind Aromacide is a private labeled Bridgepoint Hydrocide. Bottled by Bridgepoint for sister company Groom Industries.

Dilution Ratios: 4-8 oz./gal. RTU pH: 7-7.5 Contains: 1 gallon
