Powerhorse 750133 Dual Fuel Generator with Electric Start - 9000 Surge Watts 7250 Rated Watts

Manufacturer: Powerhorse

Powerhorse 750133 Dual Fuel Generator with Electric Start - 9000 Surge Watts 7250 Rated Watts

Product Summary

The Powerhorse Dual Fuel Generator gives you plenty of power, plus the option of using gasoline or propane. With less than 5% total harmonic distortion, you can safely run sensitive electronics. Electric start (requires battery, not included) offers easy-starting convenience and the included wheel kit provides portability.

What's Included

- (1) Dual fuel generator

Product Manual

Features + Benefits
