Demo Husqvarna 966554101B, DM280 Core Rig Drill Motor, 240v 10amp DM 280, Low Speed Rated B, 805544719353

Manufacturer: Husqvarna Equipment

Demo Husqvarna DM280 Core Rig Drill Motor 240v 10amp Used DM 280 966554101B Low Speed 6 Month Repair Protection

Powerful electric core drill for use with stand. DM 280 is the perfect choice for medium core drilling. Recommended diameter up to 355 mm. The motor is very easy to operate with several ergonomic features facilitating drilling and set up. Suitable for water evacuation, ventilation, angle drilling and stitch drilling. Special reduction motor turns slower than the 240 volt version but still gets the job done. 1 Year factory provided warranty.

Updated pop-up carbon brushes for longer life and service intervals

Water cooled, three speed gearbox

LED Overload monitoring

Smartstart reduces drill motor rpm to decrease vibration when starting a hole.

Water hose can be turned 180 degree for better hose management.

Applications

Core drilling up to 14" in diameter with Husqvarna drill stands

For reinforced concrete, bricks and other building material

Heavy-duty applications like water evacuation, channels for ventilation and plumbing, waste evacuation pipes, gas supply pipes, barriers, road signs and holes in corners for wall sawing openings

Angle drilling and positioning in all directions

Ideal for use with DS 450, DS 70 and GYRO 50 drill stands

2012 Schematics / Parts

Factory supplied 6 Month warranty, optionally purchase 2.5 to 4.5 years total investment protection.

You will need to install a NEMA L6-20P to use in the USA

Husqvarna Used Equipment Warranty Policy

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you.

All sales are final.

Warranty 6 month parts and labor!

Extended the warranty to 2.5 or even 4.55 years for a little more with no hour exclusions.

Condition of this machine: "B" Only 1 at this price!

Our B rated demo equipment usually has less than 200 hours on it.

Photos are not available as these ship from the factory direct as they have already been refurbished, cleaned, tested, and crated.

Ships from OT warehouse.

Optional

This kit will allow you to use in every building in the USA, Canada, Mexico, and Japan.

Even includes the extra L6-20 Plug to add to your machine.

Note, Husqvarna also makes a DM 340 in 120 volts and a stronger 240 volt option.
This is the 120 volt version slower turning unit.
The stronger unit is located

Husqvarna DM340 Core Rig Drill Motor 98 72-07 240v L6-20P 14amp DM
340 987207

240 volt version, drills faster, much easier to plug in two 15 amp cords than a
single 20 amp cord, more pressure can be applied while the bits can be turned faster.
