Model Number: 109271-

Northern Tool 109271-, Semi Trash Water Pump ONLY For Straight Keyed Shafts, 2in. Ports 7860 GPH-109271

Manufacturer: Northern Tool & Equipment

Print Manual:

Overview

This pump requires 4 HP engine with 2 7/16in.L, 3/4in. straight keyed shaft, 5/16in.-24 tapped hole and 3 5/8in. bolt circle. Uses long-lasting, high-end silicon carbide seals that are specially suited for heavy-duty applications such as pumping contaminated and abrasive fluids.

Features + Benefits

- FCD45 cast iron impeller and volute reduce vibration and last longer for semi-trash operations
Silicon carbide seals are 2 times harder, 15% tougher, and 50% stronger than common aluminum oxide seals
- Durable cast iron impeller and volute
Uses standard NPT threads for attachment flexibility
- Utilizes a check valve to hold a prime while the pump is not running

What's Included

- (1) Pump only
