Shipping Information

This item is oversized and ships on a pallet / skid by freight carrier. Please provide a commercial delivery address with forklift or dock access when possible. Residential delivery, liftgate service, limited-access delivery, or appointment delivery may increase freight cost.

Steam Brite processes shipments daily by FedEx, UPS, USPS, and multiple freight carriers. Website availability does not always reflect local San Antonio warehouse inventory. Special-order or palletized freight items may require additional processing time.

Warranty & Disclaimer

Specifications, availability, and manufacturer part details are subject to change without notice. Steam Brite fulfills orders by the part number ordered. Buyer is responsible for confirming this item meets their intended application before purchase.
