Unit can ship in any color, black, and usually orange.

The DURATIQ 5 is the smallest machine in the DURATIQ series. The DURATIQ 5 is an ultra-compact and powerful grinder for all types of grinding jobs in various types of environments 1 phase unit.

Just as with the large models, the machine is equipped with an intuitive digital control panel that provides all the control and precision you need to maximize machine performance. The dust-proof design of the grinding head and electrical enclosure, along with the precision of the heavy duty components, provides high reliability and increased grinding precision. The chassis can be easily separated from the grinding head and weights dismantled prior to transport.

Grinding head

The actual heart of the DURATIQ 5, the grinding head, is based on the same innovative technology as the larger models 6 and 8. The dust-proof design and precision of the heavy duty components provide high reliability and increased precision for grinding results.

Mist Cooler System

- Wide water jet with optimized angle
 - On/off via control panel
 - Three different water flows
 - Easily accessible nozzle
 - Auto-venting pump
- Universal 2" vacuum hose connection

Modular

The chassis is easily separated from the grinding head prior to transport. Quick coupling for motor cable.

Intuitive and smart

>

Just as the larger models (6 & 8), the HTC DURATIQ 5 is equipped with an intuitive digital control panel (or HMI as we call it, for Human/Machine Interface). It'll give you all the control and precision you'll ever need to maximize grinder performance.

Optional:
Removable weights, 2x20 kg
Light kit
Cell phone holder

Ergonomical designed weights are easy to lift on and off. Large handles make them easy to handle. Stable on flat surfaces.
22.4" Wide

Freight Included to all commercial warehouses with loading docks and forklifts on site. Customer responsible for all shipping surcharges, including but not limited to, limited access fee (all locations that an 18 wheeler cannot turn around in your parking lot with rows of warehouse docks), lift gate service to lower pallet to the street when no forklift on site, calling for an appointment (without an appointment they will just show up sometime between M-F 8-5. Inside delivery, driveway delivery, missed deliveries are not included and cost even more.

Factory warranty is 1 year or 1000 hours
